VETERAN EDUCATION BENEFITS

Students who receive these benefits should contact the Veterans Representative in the Registrar's Office for information and assistance at (405) 574-1205. Students who use any of the various education assistance programs under the G.I. Bill are reminded to make this fact known to the Registrar's Office at the time enrollment forms are submitted. To ensure accurate information for the Department of Veterans Affairs, these students need to complete the "Veterans Confirmation of Enrollment" form in the Registrar's Office.
