SCHOLARSHIP APPLICATION FOR CONTINUING STUDENTS

This application is for current students continuing their studies during the fall 2012 and spring 2013 term(s) at USAO. The various USAO Foundation scholarships, which are the primary source of funding for these scholarships, are merit awards based primarily on scholastic promise and achievement; although character, service and leadership potential are also considered. Generally, scholarships are awarded to full-time students who maintain a minimum 3.00 GPA without consideration of need for financial assistance. **Limited funds are available for these competitive scholarships.** Please complete this application and a **Financial Aid Office Update** form and return them to the Financial Aid Office, Troutt Hall 112 by April 2, 2012. You may submit your forms after this date; however, priority will be given to students who pre-enroll for fall 2012 and whose financial aid packages are complete. **Applications received after April 2nd will be subject to availability of funds.**

Descriptions of the various USAO Foundation Scholarships are available from the University Advancement Office, Troutt Hall 106.
