The University of Science and Arts of Oklahoma Protection of Expressive Activities Report 2024

1. Information regarding the protection of public expressive activities is made public in the University of Science & Arts Facilities manual, the USAO Student Handbook, on the USAO website and during new student orientation processes.
2. USAO has developed materials, programs, and procedures to ensure that necessary staff are trained to understand the policies, regulations, and duties in regard to free expression on the Science & Arts campus.
3. There have been no barriers to or incidents of disruption of free expression occurring on the USAO campus in 2024.

Report prepared by Sheppard McConnell, Vice President for Enrollment Management and Student Life.

Approved by the President, Dr. Kayla Hale.

A handwritten signature in black ink that reads "Kayla Hale".

Kayla Hale, PhD
President
