

REGIONAL UNIVERSITY BACCALAUREATE SCHOLARSHIP

USAO Student Agreement

2024-2025

Below are the details for the 2024-2025 **Regional University Baccalaureate Scholarship** at USAO. The 2024-2025 Regional University Baccalaureate Scholarship covers tuition, basic block rate student fees, and a double occupancy bedroom each fall and spring for four consecutive years (8 fall/spring terms total), under the following conditions:

- I understand continuing eligibility requires a minimum 3.25 overall GPA. Enrollment in a minimum of 12 credit hours each fall and spring of eligibility, successfully completing 24 hours minimum each academic year, is also required to receive and maintain the scholarship.
- I understand USAO will waive 100% of tuition costs each fall and spring of eligibility.
- I understand basic block rate student fees are covered each fall and spring of eligibility. However, special fees such as, but not limited to, course-related lab, studio, private lesson, mission enhancement fees, etc., room deposit, neurodiversity program fee, parking permit, ID replacement, etc., are not.
- I understand this scholarship covers the equivalent of a double occupancy bedroom in USAO housing each fall and spring of eligibility. This scholarship does not guarantee a place in USAO on campus housing, and I must complete the USAO housing application in full to receive a room assignment. If I do not have a room assignment or billed room charges in a fall or spring term of scholarship eligibility, the room portion of this scholarship is forfeit for that term. The value of this scholarship can be applied to another on campus housing option at USAO; however, I will owe the difference of room charges higher than the cost of a double occupancy bedroom. The room portion of this scholarship will not exceed the final billed room charge amount.
- The Oklahoma Board of Regents currently provides \$1,750.00 each fall and spring of eligibility to USAO for this scholarship. This portion of the scholarship is subject to change and is determined by the Oklahoma Board of Regents.
- This scholarship is to apply to my account in the following order: USAO tuition waiver, \$1,750.00 from the State Regents (to apply to block rate student fees and a portion of the double occupancy bedroom charge, where applicable), and then USAO will pay any balance of the eligible room charge remaining. If I am not in on campus housing, I may be eligible for a portion of the \$1,750.00 from the State Regents to pay toward other charges or receive a possible refund if no other charges are on my account.
- I will submit my final official high school transcript upon completion to the Office of Admissions or Registrar. I will also submit official transcripts from all other colleges or universities I have attended, including high school/college concurrent work.
- The Regional University Baccalaureate Scholarship summer option may be available to some students who wish to graduate in less than 4 years. Summer scholarship benefits are limited and differ from fall and spring. Details and scholarship requirements on the summer option are available from the USAO Financial Aid Office. Leave of absence requests may also be available to students with extenuating circumstances who may not be able to attend consecutive terms. See the [OK College Start](https://secure.okcollegestart.org/Financial_Aid_Planning/Scholarships/Academic_Scholarships/Regional_University_Baccalaureate_Scholarship.aspx) website for more information on this scholarship, including leave of absence and program rules:

Eligibility for the continuation of this scholarship is evaluated at the end of each spring and summer term. My signature below signifies my acceptance of this agreement and my intent to attend USAO. Signing this agreement reserves this scholarship in my name and is required for scholarship disbursement. It does not require me to enroll at USAO. However, if I decide that I will not be attending, I will notify USAO as soon as possible so this scholarship is available for another student.
