Main Motions

VP Alexander moves into unfinished business

Open positions: Are still in need to be filled. Sophomore, junior, senior, and Speech Pathology and Education Wards still need to be filled.

Droverstock Funding: Was brought up by President Bonds: we need funding for water balloons and for the prizes. A hundred dollars for a prize split between a 5-person team would be a 20\$ gift card for the winners.

Cost for water balloons for a 1200 would cost around 60\$ Secretary Peebles argued that 1500 balloons for 75\$ would be the best offer. The rest of the executive board agreed President Bonds is working on a poster for the event but is still in progress. Advisor _____ asked how long the games would last.

President Bonds said that the whole event would want to be around an hour. SGA Senate will also be held responsible for cleaning up afterwards. It was estimated that with 16 rounds the rounds should last 2 minutes with a 30 second overtime so that it fits within the hour.

Desks: President Bonds asks when the desks will be order Advisor Monroe mentioned that the PO is still in process.

OSGA funds Alexander asks should be increased by 120\$ for the registration for both Tori Micklson and Alyssa for OSGA and 50\$ increase of the funds for their food.
