2021	0
2022	0

Unfounded Crimes — An unfounded statistic is a reported crime that has been removed from the statistics when sworn or commissioned law enforcement personnel have fully investigated the reported crime and made a formal determination that the crime report is false or baseless and therefore, “unfounded.”

Unfounded statistics must be reported to the Department of Education and disclosed in the Annual Security Report. For 2021, there was one case that was determined to be unfounded by law enforcement.
